

Workshop "Credit Suisse acquiring Sand"

Credit Suisse Global Corporate Development (M&A and Group Strategy) would like to invite students of the University of St. Gallen to participate in the workshop "Credit Suisse acquiring Sand".

Students will have the chance to learn about the Global Corporate Development (M&A and Group Strategy) function within Credit Suisse, get to know bank valuation techniques and apply new knowledge in the acquisition simulation.

Four teams will compete, the winning team and high performers will be invited to Zurich for first-round interviews.

The team is offering internships (three to six months) as well as full-time analyst positions (Career Start Program) in 2019.

Date and time

- Workshop will be held at the University of St. Gallen
- Tuesday, November 13, 2018 from 15:15 20:15
- The event will be followed by an apéro

Topic

- Simulation of a strategic buy-side valuation of a wealth manager in the Middle East (project name "Sand")
- Objectives will include: valuing a target, calculating synergies, assessing strategic fit, etc.

Preliminary workshop agenda

- Introduction to Credit Suisse Global Corporate Development (M&A and Group Strategy) function
- Bank valuation crash course
- Introduction to the case study
- Solving case study in groups of four to five people
- Presentation of the results by groups and feedback from Corporate Development team

Presenters

Selected professionals from the Credit Suisse Global Corporate Development (M&A and Group Strategy) team, including recent graduates from the University of St. Gallen.

Participants

- Participants are expected to have basic knowledge of corporate finance
- Bachelor (min. 3rd semester) and Master students
- Students are requested to bring their own computers (with Microsoft Excel installed)
