SEMESTER KICK-OFF

H I C

PANEL DISCUSSION

«FUTURE OF FINANCE» -19.09.2019-

How will digitalization shape both working life and required skill set of future investment professionals?

Désirée Müller

CEO and Co-Founder of SwissRex

Pascal Naegeli

CDO of Credit Suisse AM

Christian Dreyer CFA

CEO of CFA Society

«Crypto is the response to the need of digital generations.»

SWISSREX

«Digitalization will have a massive impact on working life in the financial industry. It will make it more exciting.»

CREDIT SUISSE

«Helping present & future finance professionals prosper through the ongoing transformation of financial services from manufacturing to an industrial paradigm surely is the tallest order of them all.»

CFA Society
Switzerland

19.09.19, 18:15 - 20:00
01-012 Library Building
University of St.Gallen
Dufourstrasse 50
